TOWN MEETING WARRANT

To the Inhabitants of the Town of Easton in the State of New Hampshire, County of Grafton, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 14th day of March, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary officers for the ensuing year.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the town will vote to authorize the selectmen to appoint or designate a qualified person to act as Highway Agent during the current year.

Article 4. To see if the town will vote to accept Town Road Aid: Town's share \$48.96; State's share \$326.41, and raise money for same.

Article 5. To see if the town will vote to raise and appropriate the sum of \$59.71 to the White Mountains Region Association, for the purpose of issuing and distributing printed matter and advertising and otherwise publicizing the advantages of the Town, in cooperation with the other 45 towns of the region.

Article 6. To see if the town will vote to pay the selectmen and other town officers an annual salary during the current year in accordance with the following schedule, and to raise and appropriate money for same:

Chairman, Board of Selectmen	\$250.00
Selectman	125.00
Selectman	125.00
Tax Collector	125.00
Town Clerk	125.00

Treasurer	75.00

EASTON KINSMAN CEMETERY REPORT

The small area at left of the road entering the cemetery was made ready last summer for lime, a good grade of loam, grass seed and this topped with a protective hay cover.

A sign with the words, Kinsman Cemetery, made by Mr. Clyde Smith, was secured to an oak post, given to us by Jack Davis, was set in the rear of the lot with the woods as a background.

Much interest and time have been given this project by the committee and others and it is felt that there will be pleasing results.

REPORT TO HEALTH OFFICER TOWN OF EASTON, N.H. FOR YEAR ENDING DECEMBER 31, 1966

A diabetic detection program was conducted this year for the first time. This test is to locate the hidden or unknown diabetic and get him or her under proper diet and treatment.

Well Child conferences were also conducted for infants and preschool children who received a physical examination by the attending physician. Immunization shots against whooping cough, tetanus, diphtheria, smallpox, polio, and measles were also given. Booster shots were also given to those who needed them.

Home Health Nursing Services can be arranged for by the town officials with the Lisbon District Nursing Association. This is for people who are eligible for this service and whose physician has prescribed same.

Booster shots were also given in the school in Franconia in grades 1 and 4 for those who requested it.

Mr sincere thanks for the cooperation received.

Respectfully yours,
LORETTA B. RUSSELL, R.N.
State Public Health Nurse

PROGRAM OF THE WHITE MOUNTAINS REGION
ASSOCIATION 1966 (29th year)

Printed and distributed more than 300,000 folders and booklets promoting the White Mountains Region.

Received and answered 15,000 individual inquiries which represents an increase of more than one hundred per cent over last year.

Wrote sixteen news releases for the use of local media and five newsletters to the members, promoting economic development ideas in the region.

Supported the 4-H awards program to encourage development of agriculture.

Assisted in programs of natural beauty and good land-use practices.

Presently am initiating a program of ski area engineering research to combat the snow erosion problems at ski areas.

Worked in cooperation with many other groups working to promote the economy of the White Mountains Region and the State of New Hampshire.

FRANCONIA ELEMENTARY SCHOOL

Franconia, New Hampshire

REPORT OF THE PRINCIPAL

I herewith submit my eighth annual report as Principal of the Franconia Elementary school.

ADMINISTRATION:

The present school year began on Wednesday, September 7, with a total registration of 85 pupils. Although the enrollment has varied a great deal, as of this writing the number remains the same. A breakdown of this figure shows that 5 are in Kindergarten, 17 in Grade 1, 11 in Grade 2, 17 in Grade 3, 13 in Grade 4, 11 in Grade 5, and 11 in Grade 6. The school day for Grades 1-6 starts at 8:00 A.M. with the doors being opened at 7:45. The school day ends at 2:30 P.M. Instrumental music for all pupils in Grades 5 and 6, whose parents wish them to participate in this program, was introduced in the school in September. Miss Kathleen Bean of Littleton is the instructor. She comes to the school one day a week. Mrs. Marion Callender of Lisbon continues to teach music to all grades.

Mrs. Naomi Hodgdon of Lancaster joined the faculty as instructor of Physical Education. She replaced Mr. Glenn Stillings who resigned to take a full time teaching position in Lisbon. Mrs. Sally May of Littleton is again teaching Kindergarten. This is again held in the Town Building, due to lack of space in the elementary school. Kindergarten is in session there from 8:00 A.M. to 10:30 A.M. each school day. Mrs. Leone Philbrook of Sugar Hill, who taught Grades 3 and 4, was unable to return in September due to a severe injury received just prior to the opening of school. She has been granted a year's leave of absence. Mrs. Philbrook was replaced by Mrs. Mary Kerns of Sugar Hill who resigned in October. Mr. Vernon Wood of Littleton is now teaching the Fourth Grade. The other members of the faculty are Mrs. Pauline Cole of Franconia who teaches Grades 5 and 6, and Mrs. Evelyn Howe of Lancaster who teaches Grades 2 and 3. I continue to teach Grade 1. Mr. Richard Sullivan continues to do an outstanding job as custodian of the elementary school. Mr. Robert Sheehan is most co-operative as the Kindergarten custodian.

CURRICULUM:

Personal guidance and individual attention are given each pupil. The faculty strives at all times to help each child realize his or her potential, both as a student and a good school citizen. The basic psychological needs of childhood are carefully observed. Individual differences are noted. Good work habits are emphasized. Much attention, of course, is paid to the teaching of the basic fundamentals in each subject.

As I have reported in the past, the phonetic approach to reading is taught with care and precision throughout the school. The Speed-i-o-scopes are in constant use. The techniques developed through their use have been found very helpful in training children in the complex task of reading. Speed and comprehension go hand in hand because it is easier to comprehend a thought unit than an isolated word. In addition, the children enjoy the novelty of using these mechanical devices.

Enrichment materials are continually being incorporated at all grade levels to provide stimulation and challenge for each pupil. The Science Research Association Reading Program is now being used in Grades 2 through 6. It encourages an individual rate of progress in reading. Room libraries are growing rapidly. New books are added each year. Paperback books are also being utilized. As a result, each child enjoys reading at his own level of ability and interest.

The faculty of your school is very cognizant of the value of a good Visual Aids Program. It continues to be a very important part of the school curriculum. New filmstrips, pertaining to all subjects, are added each year. Filmstrips, also used in correlation with records, are a source of much interest and educational value to the children. Television also is utilized to the fullest despite the handicap of a limited viewing area.

The school's testing programs are still in effect. The Achievement Tests are now given in the fall so that they may be used for diagnostic purposes.

The new 1966 GUIDELINES AND RECOMMENDATIONS FOR N.H. PUBLIC ELEMENTARY SCHOOLS, compiled by the N.H. Department of Education, is being carefully studied. As in the past, the faculty of your school will continue to follow the concepts set forth in such a report.

SCHOOL LUNCH:

The school lunch program continues to operate smoothly under the capable management of Mrs. Thelma Gilman of Bethlehem. Mrs. Gilman replaced Mrs. Louise Peabody who resigned at the close of the 1965-1966 school year. As of this writing, there are approximately 68 children participating daily in this program.

SCHOOL HEALTH:

Dr. Ralph Parker and Nurse Virginia McAllister have given complete physicals to the pupils in Kindergarten and Grades 1-6, whose parents so desired. Mrs. McAllister's report will give further details as to her other activities in this school.

SCHOOL ACTIVITIES:

The children enjoyed a foliage tour in the fall due to the kindness of Mr. Hamilton Ford. Refreshments, "hosted" by Mr. Richard Coney, added to the trip's enjoyment.

Open House was held during Educational Week in the fall. No special programs or special classes were planned. The usual procedures were followed so that a true picture of the school's activities could be obtained. Parents attendance was most gratifying.

The annual Christmas Program, with 100% pupil participation, was presented in the school auditorium Tuesday evening, December 20. School parties were held the following day.

The pupils in Grades 5 and 6, under the tutelage of Mrs. Cole, carried out an enjoyable Christmas project in art. They designed and made individual gifts for all the pupils in the school in conjunction with their other Christmas art activities.

The Ski Program, sponsored by the Franconia School District, is in effect again this year. There are 45 children enrolled in this program. Mr. Vernon Wood, 4th grade teacher, is supervising the children.

The University of New Hampshire Theater For Children presented "Snow White and The Seven Dwarfs" at the Bethlehem School. The entire Franconia Elementary student body, from Kindergarten through Grade 6, attended this performance.

Pupils from Grades 5 and 6, under the direction of Physical Education Director Glenn Stillings, participated in the Track Meet at Lancaster in May. Mr. Ford donated the use of his bus. Mr. Sullivan assisted in this activity.

An assembly, "Poetry Jubilee", was presented in the school auditorium on April 20, 1966, under the direction of Mrs. Leone Philbrook. It climaxed a poetry contest which was part of the school's Language Arts Program. The idea of such an assembly originated with a School Board member, Mrs. Nancy Cole.

Later every child's contribution was entered in the Creative Writing Contest conducted by the Overlake Day School of Burlington and WCAX Television. There were 1,056 entries in the contest from 52 schools located in Vermont, New Hampshire and New York. Nine judges chose 23 winners of first place and 28 winners of honorable mention. This school tied for first honors with the Shelburne Central School in Shelburne, Vermont, each winning a total of seven. This school also won seven honorable mentions.

First Honors:

Grade One -- Sandra Allten, Stephan Greenway
 Grade Two -- Kevin Catheron, Robert Girard
 Grade Three -- Judith Robinson, Paul Tavino
 Grade Five -- Christine Greenway

Honorable Mention:

Grade One -- Deborah Eastman, Matthew Glover
 Grade Three -- Victoria Cole, Michael Kenney
 Tammy Laskaris, Nelson Moody
 Grade Six -- Stefanie Valar

The above pupils, accompanied by three faculty members, attended the awards ceremony at the WCAX-TV Studio in Burlington on June 17. This ceremony was taped and shown on the air the following day.

A Field Day for Grades 1 - 6 was held on June 3. Later, during a school assembly, ribbons were presented to the winners of the various contests.

CONCLUSION:

I wish to express my appreciation to the people of Franconia; the Board of Education; Superintendent of Schools, William Grass; Educational Consultant, Leslie Cummings; Business Administrator, Oliver Cole; and the staff and pupils for their co-operation and assistance.

Respectfully submitted,

ALICE M. LEAVITT

REPORT OF SUPERINTENDENT

To the School Board and Citizens of Easton School District:

It is with pleasure that I submit my report to you as superintendent of Schools.

During the past year (1965-1966) there were 7 pupils enrolled in the Franconia School, and 1 pupil at Littleton Junior High School.

This school year there are 10 pupils attending Franconia School, and 1 at Littleton High School.

The Supervisory Union office has been consolidated into one unit at 33 Main Street, Littleton, N.H. This expanded Supervisory Union is in keeping with the State Board of Education's plan of re-organization as recommended by the Interim Commission of the 1963 General Court.

Mr. Paul Henry has been appointed the Assistant Superintendent of Schools and Mr. Oliver Cole the Business Administrator. This organization will, I am sure, better meet the needs and purposes that have been set forth by the State program for improving education.

An area which has become quite controversial and one which affects our schools in many ways, is Federal Aid to Education which I would like to review with you at this time.

Federal Aid to Education has become substantial this school year. Although, this may be an area many would wish away, I firmly believe that the amount in years to come will dwarf the 1966 figures.

A question often asked of me is, "What is this Federal Education Law?" In answer; there are many laws assisting and affecting education financially.

1. The Elementary-Secondary Act of 1965, or more commonly called the 89.10 bill.

There are 5 titles in this bill that grant aid from the local school district up to and including the State Department of Education. However, only titles 1, 2, and 3 affect us locally.

Title 1 is specifically allocated to the local districts and we have received in the White Mountains Supervisory Union #35 during 1966-67, \$41,769.93 and will receive similar amounts for the 1967-68 school year. The U.S. Congress will determine future allocations after 1968 (as with all titles). The money received under this Title 1 must be used for the educationally deprived and is being channeled into programs which are badly needed.

Title 2 is for the entire Supervisory Union as a unit and we received \$6,091.00 for the 1965-66 school year. Our entitlement for the current school year is \$7,259.40. These monies must, by law, purchase library, audio-visual aids, supplies, materials, etc., only after inventories are completed. This project is directed by Mr. Gordon Flight of Bethlehem and a program has been initiated which rotates materials and equipment throughout our 10 district Union.

Title 3 is for area or regional programs and although it is centralized in our Supervisory Union office, the area served is the entire North Country (7 Supervisory Unions from Woodsville and Conway, north). This program, Project "ARISE," has an operating budget of \$74,850.00 and is concerned primarily with social enrichment. Mr. Stanley Tufts, Project Director, and his staff have already initiated programs in which your children have become involved in an interesting and challenging enrichment project that will have lasting effects.

2. The next major Federal Education Law, that affects us here, is the Vocational Education Act of 1963. This act granted the White Mountains Regional School District \$240,000.00 during 1965, of which \$205,000.00 is presently being used to construct their new High School Building, and \$35,000.00 to purchase vocational equipment as the new building nears completion. Without doubt, additional dollars from this act will assist with employment of staff, etc.

3. The Economic Opportunity Act has several titles of which Title 2 has affected our schools considerably. The 1966 Summer Head Start Programs operated under this act. Mr. C. Douglas McIntyre of Whitefield is the director, and operates one of the largest Head Start programs in New Hampshire at a cost of \$16,354.00 and involving approximately 61 children.

The three above education acts, although the largest in dollars, are not by any means the only Federal programs your schools deal with annually. The 1917 Smith-Hughes and George Bardeen Acts, the National Defense Education Act, the Manpower Development & Training Act, School Lunch and Government Surplus programs, all of long standing, direct much of the supplies, equipment, food, milk and dollars into your school budgets. Each is very important and each contributes to the education and welfare of your children.

In closing, may I take this opportunity to thank the Board of Education, the State Department of Education, our Administrators, and the staff of the Superintendent's office for their continued cooperation and support.
